## *Why Support the YWCA*

*Empowering Women, Eliminating Racism*

**ywomen leaders** YWCA recognizes and honors women for their transformative volunteerism and outstanding achievements. Proceeds support mission focused education and programs for empowering women and girls.

**ywomen resources** YWCA Greenwich is the only state designated and accredited provider of domestic abuse services in Greenwich, with staff who are licensed to provide a variety of victim services. YWCA Greenwich provides 100% of its services free of charge to the victims who reach them. Services include 24/7 hotlines, crisis intervention, group and individual counseling, emergency shelter, civil and criminal court advocacy and more. Education, awareness and prevention programs are offered in the Greenwich schools and through outreach in the community.

**ywisdom & ywonderment** YWCA Steven and Alexandra Cohen Preschool and youth programs serve working parents and offer half-day and full-day programs for preschoolers, after-school activities, and both vacation and summer camps. Scholarships make the YWCA programs more accessible to those in need.

**ywater & ywellness** YWCA promotes health and wellness from babies to seniors. Offerings include aquatics instruction for children, youth and adults, competitive swim programs and therapeutic wellness for those with physical challenges. Health and fitness programs are offered in a clean, modern and welcoming facility, support healthy living and promote personal well-being for all ages.

**ywelcomes** Strengthening communities through collaborations and partnerships is a central part of YWCA's mission. By engaging with governmental and community organizations and participating in mission focused programs, the YWCA plays an active role in strengthening our community.

**Please join us in making a difference. Thank you.**
